Time to Get Ready, Bunny! / ¡Es la hora de alistarse, Conejito!

Brenda Ponnay 2017-12-01 Perfect First Day of School Book It's time to get ready, Bunny! Bunny? BUNNY? In this charming little book, author/illustrator Brenda Ponnay has artfully depicted the morning routine of so many families. Whether your little one would rather stay in bed, play with toys, or try on every outfit in the closet, this book is sure to resonate with parents. Kids are sure to enjoy being the ones to take charge and convince little bunny to get his tail out the door. Primer día perfecto del libro escolar Es hora de prepararse, Bunny! ¿Conejito? BUNNY? En este encantador pequeño libro, la autora / ilustradora Brenda Ponnay ha representado ingeniosamente la rutina matutina de tantas familias. Si su pequeño prefiere quedarse en la cama, jugar con juguetes, o probar en cada traje en el armario, este libro es seguro para resonar con los padres. Los niños están seguros de disfrutar de ser los que se hacen cargo y convencer a conejito para obtener su cola fuera de la puerta.

There Was A Light Rich Tupica 2020-09-22 Available for the first time as a traditional paperback, this revised and updated edition contains new and archival interviews with those closest to Chris Bell and the Big Star circle: their friends, family, former bandmates—even fans, exes,

classmates, and coworkers. “Bell’s and Big Star’s existence was short, but the wealth of stories and quotes here provides a healthy sustenance for the truth seekers. A top-notch biography.” —San Francisco Book Review The varied cast of voices—many from the band’s hometown of Memphis—comprises all the members of Big Star, including Chris Bell, the iconic Alex Chilton, Andy Hummel, and Jody Stephens. In the following decades after its 1975 breakup, the obscure group somehow reached and inspired some of rock’s most important bands, including R.E.M., the Replacements, Yo La Tengo, Teenage Fanclub, Beck, and Wilco. With Chris Bell at the center of the Big Star universe, this book carefully reveals the production of the band’s masterful 1972 debut LP, #1 Record, for Ardent/Stax Records. Despite stellar reviews, the record suffered abysmal sales. Soon after, toxic personality conflicts and turmoil tore the band apart while Bell battled drug abuse and depression. There Was A Light then delves into Big Star’s second and third albums, while recounting Bell’s second act as a struggling solo musician and born-again Christian. During several trips to Europe, he produced ambitious recordings and pitched himself to record labels—even crossing paths with Paul McCartney. From this fertile era arose Bell’s lone solo album, the posthumously released I Am the Cosmos—his swan song and masterpiece. There Was A Light details the pop culture phenomenon that

made Big Star legendary and divulges how its staunch fanbase saved the band from obscurity. "... an encyclopedic compendium...illuminating Bell's life from a thousand angles." —Memphis Flyer

Richie Ashburn Remembered Fran Zimniuch 2005-01 This personal look at beloved former baseball player, announcer, and writer Richie Ashburn gives readers a behind-the-scenes look at the iconic winner of two batting championships.

The Billy Bob Tapes Billy Bob Thornton 2012-05-15 There is—and could only ever be—one Billy Bob Thornton: actor, musician, Academy Award-winning screenwriter, and accidental Hollywood badass. In *The Billy Bob Tapes*, he leads us into his *Cave Full of Ghosts*, spinning colorful tales of his modest (to say the least) Southern upbringing, his bizarre phobias (komoda dragons?), his life, his loves (including his marriage to fellow Oscar winner Angelina Jolie), and, of course, his movie career. Best of all, he's feeding these truly incredible stories and righteous philosophical rants through his close friend, Kinky Friedman—legendary country music star, bestselling author, would-be politician, and all-around bon vivant. Put these two iconoclasts together and you get a star's story that's actually an insightful pop culture manifesto—a hybrid offspring of *Born Standing Up* with *Sh*t My Dad Says*.

The Kindness Book Todd Parr 2019-10-01 Beloved and New York Times bestselling author Todd Parr uses his signature blend of playfulness and sensitivity to explore the value and joy in being kind to others. With his trademark bright colors and bold lines, Todd Parr takes on a topic more important than ever: being kind to each other. This idea is both a perfect fit for Todd's cheerful, child-friendly positivity and incredibly close to Todd's own heart. No matter what other people choose to do, you can always choose to be kind -- and what a wonderful thing to be! Today's parents and teachers are looking for ways to instill empathy and kindness in children at a young age -- this book is the perfect introduction to a timely and timeless topic.

My Favorite Time of Day/Mi hora preferida del día Jamie Kondrcek 2011-11 Next thing I know, it's time to go. The short hand's on the 8. I tie my shoes and grab my books and hurry through the gate. Preschoolers

will learn the basics of telling time in this fun-to-listen-to English-Spanish story. De pronto me doy cuenta de que me tengo que ir. La manecilla pequeña marca el 8. Me ato los zapatos, tomo los libros y me doy prisa en salir. Los niños en edad preescolar aprenderán los rudimentos del reloj con esta divertida historia.

French Country Cooking Mimi Thorisson 2016-10-25 A captivating journey through off-the-beaten-path French wine country with 100 simple yet exquisite recipes, 150 sumptuous photographs, and stories inspired by life in a small village. "Francophiles, this book is pure Gallic food porn." —The Wall Street Journal Readers everywhere fell in love with Mimi Thorisson, her family, and their band of smooth fox terriers through her blog, *Manger*, and debut cookbook, *A Kitchen in France*. In *French Country Cooking*, the family moves to an abandoned old château in Médoc. While shopping for local ingredients, cooking, and renovating the house, Mimi meets the farmers and artisans who populate the village and learns about the former owner of the house, an accomplished local cook. Here are recipes inspired by this eccentric cast of characters, including White Asparagus Soufflé, Wine Harvest Pot au Feu, Endives with Ham, and Salted Butter Chocolate Cake. Featuring evocative photographs taken by Mimi's husband, Oddur Thorisson, and illustrated endpapers, this cookbook is a charming jaunt to an untouched corner of France that has thus far eluded the spotlight.

Play with Me! Anna Prokos 2012-08 When Bulldog keeps barking at his friends to play with him, Skunk stands up to him while the others try to get Skunk and Bulldog to realize the consequences of the situation.

Numbers at Work Pam Holden 2008

Your Band Sucks Jon Fine 2016-05-03 A memoir charting thirty years of the American indie rock underground by a musician who was at its center Jon Fine spent nearly thirty years performing and recording with bands that played aggressive and challenging underground rock music, and, as he writes, at no point were any of those bands "ever threatened, even distantly, by actual fame." Yet when the members of his 1980s post-hardcore band *Bitch Magnet* came together for an unlikely reunion tour in 2011, diehard fans traveled from far and wide to attend their shows,

despite creeping middle-age obligations of parenthood and 9-to-5 jobs. Their devotion was testament to the remarkable staying power of indie culture. In indie rock's pre-Internet glory days, bands like Bitch Magnet, Black Flag, Mission of Burma, and Sonic Youth—operating far outside commercial radio and major label promotion—attracted fans through word of mouth, college DJs, record stores, and zines. They found glory in all-night recording sessions, shoestring van tours, and endless appearances in grimy clubs. Some bands with a foot in this scene, like REM and Nirvana, eventually attained mainstream success. Many others, like Bitch Magnet, were beloved only by the most obsessed fans of the time. *Your Band Sucks* is an insider's look at that fascinating, outrageous culture—how it emerged and evolved, how it grappled with the mainstream and vice versa, and its odd rebirth in recent years as countless bands reunited, briefly and bittersweetly. With backstage access to many key characters on the scene—and plenty of wit and sharply worded opinion—Fine delivers a memoir that affectionately yet critically portrays an important, heady moment in music history. Praise for *Your Band Sucks*: “Everything a cult-fave musician's memoir should be: It's a seductively readable book that requires no previous knowledge of the author, Bitch Magnet or any other band with which he's played.” —Janet Maslin, *The New York Times* “Jon Fine has produced as evocative a portrait of the underground music scene as any wistful, graying post-punk could wish for.” —*The Atlantic*

Thank You for Coming to Hattiesburg Todd Barry 2017-03-14 “With this charming, sardonic debut, stand up comedian and actor Todd Barry makes readers laugh as hard as the audiences at his shows” (*Publishers Weekly*) in this hilarious book of travel essays from his time on tour in the US, Canada, and Israel. Hello. It's Todd Barry. Yes, the massively famous comedian. I have billions of fans all over the world, so I do my fair share of touring. While I love doing shows in the big cities (New York, Philadelphia), I also enjoy a good secondary market (Ithaca, Bethlehem). Performing in these smaller places can be great because not all entertainers stop there on tour; they don't expect to see you. They're appreciative. They say things like “Thank you for coming to Hattiesburg”

as much as they say “Nice show.” And almost every town has their version of a hipster coffee shop, so I can get in my comfort zone. My original plan was to book one secondary market show in all fifty states, in about a year, but that idea was funnier than anything in my act. So, instead of all fifty states in a year, my agent booked multiple shows in a lot of states, plus Israel and Canada. *Thank You for Coming to Hattiesburg* is part tour diary, part travel guide, and part memoir (Yes, memoir. Just like the thing presidents and former child stars get to write). Follow me on my journey of small clubs, and the occasional big amphitheater. Watch me make a promoter clean the dressing room toilet in Connecticut, see me stare at beached turtles in Maui, and see how I react when Lars from Metallica shows up to see me at a rec center in Northern California. I'd love to tell you more, but I need to go book a flight to Evansville, Indiana.

Big Day Coming Jesse Jarnow 2012-06-05 The first biography of Yo La Tengo, the massively influential band who all but defined indie music. Yo La Tengo has lit up the indie scene for three decades, part of an underground revolution that defied corporate music conglomerates, eschewed pop radio, and found a third way. Going behind the scenes of one of the most remarkable eras in American music history, *Big Day Coming* traces the patient rise of husband-and-wife team Ira Kaplan and Georgia Hubley, who—over three decades—helped forge a spandex-and-hairspray-free path to the global stage, selling millions of records along the way and influencing countless bands. Using the continuously vital Yo La Tengo as a springboard, *Big Day Coming* uncovers the history of the legendary clubs, bands, zines, labels, record stores, college radio stations, fans, and pivotal figures that built the infrastructure of the now-prevalent indie rock world. Journalist and freeform radio DJ Jesse Jarnow draws on all-access interviews and archives for mesmerizing trip through contemporary music history told through one of its most creative and singular acts.

Kim Gordon Kim Gordon 2020-10-13 An edgy and evocative visual self-portrait by musician and artist Kim Gordon, indie-underground cultural icon and muse of style for four decades. As cofounder of legendary rock

band Sonic Youth, best-selling author, and celebrated artist, Kim Gordon is one of the most singular and influential figures of the modern era. This personally curated scrapbook includes a foreword by Carrie Brownstein and is an edgy and evocative portrait of Gordon's life, art, and style.

Spanning from her childhood on Californian surf beaches in the '60s and '70s to New York's downtown art and music scene in the '80s and '90s where Sonic Youth was born. Through unpublished personal photographs, magazine and newspaper clippings, fashion editorials, and advertising campaigns, interspersed with Gordon's song lyrics, writings, artworks, private objects, and ephemera, this book demonstrates how Kim Gordon has been a role model for generations of women and men.

Another Day David Levithan 2015-08-25 NEW YORK TIMES

BESTSELLER • Celebrate all the ways love makes us who we are with this enthralling and poignant follow-up to the New York Times bestseller *Every Day*--now a major motion picture. David Levithan turns his New York Times bestseller *Every Day* on its head by flipping perspectives in this exploration of love and how it can change you. Every day is the same for Rhiannon. She has accepted her life, convinced herself that she deserves her distant, temperamental boyfriend, Justin, even established guidelines by which to live: Don't be too needy. Avoid upsetting him. Never get your hopes up. Until the morning everything changes. Justin seems to see her, to want to be with her for the first time, and they share a perfect day—a perfect day Justin doesn't remember the next morning. Confused, depressed, and desperate for another day as great as that one, Rhiannon starts questioning everything. Then, one day, a stranger tells her that the Justin she spent that day with, the one who made her feel like a real person . . . wasn't Justin at all.

Big Day Coming Jesse Jarnow 2012-06-05 The first biography of Yo La Tengo, the massively influential band who all but defined indie music. Yo La Tengo has lit up the indie scene for three decades, part of an underground revolution that defied corporate music conglomerates, eschewed pop radio, and found a third way. Going behind the scenes of one of the most remarkable eras in American music history, *Big Day Coming* traces the patient rise of husband-and-wife team Ira Kaplan and

Georgia Hubley, who—over three decades—helped forge a spandex-and-hairspray-free path to the global stage, selling millions of records along the way and influencing countless bands. Using the continuously vital Yo La Tengo as a springboard, *Big Day Coming* uncovers the history of the legendary clubs, bands, zines, labels, record stores, college radio stations, fans, and pivotal figures that built the infrastructure of the now-prevalent indie rock world. Journalist and freeform radio DJ Jesse Jarnow draws on all-access interviews and archives for mesmerizing trip through contemporary music history told through one of its most creative and singular acts.

Wayfaring Strangers Fiona Ritchie 2021-08-01 From the seventeenth through the nineteenth centuries, a steady stream of Scots migrated to Ulster and eventually onward across the Atlantic to resettle in the United States. Many of these Scots-Irish immigrants made their way into the mountains of the southern Appalachian region. They brought with them a wealth of traditional ballads and tunes from the British Isles and Ireland, a carrying stream that merged with sounds and songs of English, German, Welsh, African American, French, and Cherokee origin. Their enduring legacy of music flows today from Appalachia back to Ireland and Scotland and around the globe. Ritchie and Orr guide readers on a musical voyage across oceans, linking people and songs through centuries of adaptation and change.

Lemon Jail Bill Sullivan 2018-04-17 A tour diary of life on the road with one of Minnesota's greatest bands—with nearly 100 never-before-seen photographs “Don't bore us, get to the chorus” is Bill Sullivan's motto, which will come as no surprise to anyone who opens *Lemon Jail*. A raucous tour diary of rock 'n' roll in the 1980s, Sullivan's book puts us in the van with the Replacements in the early years. Barreling down the highway to the next show through quiet nights and hightailing it out of scandalized college towns, Sullivan—the young and reckless roadie—is in the middle of the joy and chaos, trying to get the band on stage and the crowd off it and knowing when to jump in and cover Alice Cooper. *Lemon Jail* shows what it's like to keep the band on the road and the wheels on the van—and when to just close your eyes and hit the gas. That first van,

dubbed the Lemon Jail by Bill, takes the now legendary Replacements from a south Minneapolis basement to dive bars and iconic rock clubs to college parties and eventually an international stage. It's not a straight shot or a smooth ride, and there's never a dull moment, whether Bob Stinson is setting a record for the quickest ejection from CBGB in NYC or hiding White Castle sliders around a hotel room or whether Paul Westerberg is sneaking gear out of a hostile venue or saving Bill's life at a brothel in New Jersey. With growing fame (and new vans) come tours with REM and X (what happens when the audience isn't allowed to stand?), Tom Petty and the Heartbreakers and the Violent Femmes (against their will), and Saturday Night Live, where the band's televised antics earn the edict You'll never play on NBC again. Fast forward: You'll never play Washington, D.C., again. Or Moorhead. Hiding in fans' backyards while the police search the streets and pelted with canned goods at a Kent State food drive, the Replacements hit rough patches along with sweet spots, and Lemon Jail reveals the grit and glory both onstage and off, all told in the irrepressible, full-throttle style that makes Bill Sullivan an irresistible guide on this once-in-a-lifetime road trip with a band on the make.

We Play Katrina Streza 2014-05-21 There are so many fun things to do outside. This beginning reader focuses on action words and encourages kids to get up and get moving. Like all Discover Reading, level 1 readers, We Play features short sentences and beginning sight words along with activities in the back to continue the learning experience.

Blue Corn Soup Caroline Stutson 2017-08-15 As snow begins to fall in the canyon, Mouse knows just what will keep her warm--blue corn soup. As the soup starts simmering, her neighbors catch the scent and hope to share. There isn't nearly enough blue corn soup for everyone, but Mouse has an idea that will keep them all toasty, their bellies full, and will make friends out of neighbors.

1Q84 Haruki Murakami 2011-10-25 The long-awaited magnum opus from Haruki Murakami, in which this revered and bestselling author gives us his hypnotically addictive, mind-bending ode to George Orwell's 1984. The year is 1984. Aomame is riding in a taxi on the expressway, in a

hurry to carry out an assignment. Her work is not the kind that can be discussed in public. When they get tied up in traffic, the taxi driver suggests a bizarre 'proposal' to her. Having no other choice she agrees, but as a result of her actions she starts to feel as though she is gradually becoming detached from the real world. She has been on a top secret mission, and her next job leads her to encounter the superhuman founder of a religious cult. Meanwhile, Tengo is leading a nondescript life but wishes to become a writer. He inadvertently becomes involved in a strange disturbance that develops over a literary prize. While Aomame and Tengo impact on each other in various ways, at times by accident and at times intentionally, they come closer and closer to meeting. Eventually the two of them notice that they are indispensable to each other. Is it possible for them to ever meet in the real world?

Spin Alternative Record Guide Eric Weisbard 1995 Provides a listing of the top 100 albums in alternative music from the earliest influences to the latest bands, and includes in-depth record reviews

Slanted and Enchanted Kaya Oakes 2009-06-09 A lively examination of the spirit and practices that have made the indie movement into a powerful cultural phenomenon You know the look: skinny jeans, Chuck Taylors, perfectly mussed bed-head hair; You know the music: Modest Mouse, the Shins, Pavement. You know the ethos: DIY with a big helping of irony. But what does it really mean to be "indie"? As popular television shows adopt indie soundtracks and the signature style bleeds into mainstream fashion, the quirky individuality of the movement seems to be losing ground. In Slanted and Enchanted, Kaya Oakes demonstrates how this phase is part of the natural cycle of a culture that reinvents itself continuously to preserve its core ideals of experimentation, freedom, and collaboration. Through interviews and profiles of the artists who have spearheaded the cause over the years—including Mike Watt, David Berman, Kathleen Hanna, and Dan Clowes—Oakes examines the collective creativity and cross-genre experimentation that are the hallmarks of this popular lifestyle trend. Her visits to music festivals, craft fairs, and smaller collectives around the country round out the story, providing a compelling portayal of indie life on the ground.

Culminating in the current indie milieu of music, crafting, style, art, comics, and zines, Oakes reveals from whence indie came and where it will go next.

Once Around the Block / Una Vuelta a la Manzana José Lozano 2014-01-01 There's always a lot of action in the Mexican American neighborhood where Mr. Lozano lives. Amelia argues with Anita; Benito loves bean burritos but not bumblebees; Hortencia and Herminia hover around like hummingbirds; and Zacarias is catching some Zs on Zachary Street. José Lozano's wacky little stories and illustrations combine Mexican culture with Sesame Street smarts to make for a wonderful read-aloud ABC book in Spanish and English. José Lozano, who lives in Anaheim, California, makes his living as an elementary school teacher, but his passion is art. He is a rising star in the thriving Latino art scene in Los Angeles. "With this amusing trip through the streets of a Mexican-American neighborhood, readers will discover the lives, adventures, secrets, hobbies and special skills of a most varied gallery of personages. "With the skills of a master storyteller, Lozano creates in each page, in alphabetical order, a lively, one-paragraph portrait using words that start with the same initial letter of his characters' names: "B is for Benito who loves baseball, bumblebees, and big bean burritos"; "I is for Isabel who likes to stay indoors, cruise the Internet and write interesting stories"; "P is for Pablo who has won many prizes for playing the piano perfectly." (Los Otros, hermanos Toño, Lluvia and Chuy, new to the neighborhood, haven't yet learned English.) "The author's detailed and vibrant gouache paintings are framed as pictures in an album, reflecting the festive spirit of a real Hispanic community. Crosthwaite's excellent Spanish rendition maintains the savor and rhyme of the original text and its clever wordplay, making the story enjoyable in both languages. Drawings of alphabet cubes serve as dividers between the texts."—Kirkus Reviews *Tune In* Mark Lewisohn 2013-10-29 *Tune In* is the first volume of *All These Years*—a highly-anticipated, groundbreaking biographical trilogy by the world's leading Beatles historian. Mark Lewisohn uses his unprecedented archival access and hundreds of new interviews to construct the full story of the lives and work of John Lennon, Paul

McCartney, George Harrison, and Ringo Starr. Ten years in the making, *Tune In* takes the Beatles from before their childhoods through the final hour of 1962—when, with breakthrough success just days away, they stand on the cusp of a whole new kind of fame and celebrity. They've one hit record ("Love Me Do") behind them and the next ("Please Please Me") primed for release, their first album session is booked, and America is clear on the horizon. This is the lesser-known Beatles story—the pre-Fab years of Liverpool and Hamburg—and in many respects the most absorbing and incredible period of them all. Here is the complete and true account of their family lives, childhoods, teenage years and their infatuation with American music, here is the riveting narrative of their unforgettable days and nights in the Cavern Club, their laughs, larks and adventures when they could move about freely, before fame closed in. For those who've never read a Beatles book before, this is the place to discover the young men behind the icons. For those who think they know John, Paul, George, and Ringo, it's time to press the Reset button and tune into the real story, the lasting word.

Speed Reading Ryan James 2019-05-24 Do you want to: Study better? Be able to read faster and retain more information? Make more efficient notes? Pass tests more successfully? Be more creative? Engage in business armed with great focus and full comprehension? Be able to read one book a day? Then speed reading is the answer! It improves your reading speed, focus, and comprehension! It gives you the power to develop better time management, enhances your concentration and logical thinking, and also improves your overall self-confidence. This easy-to-understand book provides guides that will help you understand: Speed Reading Techniques Reading vs Speed Reading How to Break Poor Reading Habits How to Start Speed Reading Importance of Daily Eye Exercises and more Find out what your current reading level is and learn how to incorporate the exercises and techniques found in this book into your daily routine so that speed reading becomes a habit. Soon you will find that you can read an entire book each day! The more you read, the more knowledge you will gain that you can use to achieve your goals in life. Grab this book and become a speed reader today!

Liar Rob Roberge 2016-02-09 An intense memoir about mental illness, memory and storytelling, from an acclaimed novelist. When Rob Roberge learns that he's likely to have developed a progressive memory-eroding disease from years of hard living and frequent concussions, he is terrified by the prospect of becoming a walking shadow. In a desperate attempt to preserve his identity, he sets out to (somewhat faithfully) record the most formative moments of his life—ranging from the brutal murder of his childhood girlfriend, to a diagnosis of rapid-cycling bipolar disorder, to opening for famed indie band Yo La Tengo at The Fillmore in San Francisco. But the process of trying to remember his past only exposes just how fragile the stories that lay at the heart of our self-conception really are. As *Liar* twists and turns through Roberge's life, it turns the familiar story of sex, drugs, and rock 'n' roll on its head. Darkly funny and brutally frank, it offers a remarkable portrait of a down and out existence cobbled together across the country, from musicians' crashpads around Boston, to seedy bars popular with sideshow freaks in Florida, to a painful moment of reckoning in the scorched Wonder Valley desert of California. As Roberge struggles to keep addiction and mental illness from destroying the good life he has built in his better moments, he is forced to acknowledge the increasingly blurred line between the lies we tell others and the lies we tell ourselves.

The Year of Fog Michelle Richmond 2007-03-27 Life changes in an instant. On a foggy beach. In the seconds when Abby Mason—photographer, fiancée soon-to-be-stepmother—looks into her camera and commits her greatest error. Heartbreaking, uplifting, and beautifully told, here is the riveting tale of a family torn apart, of the search for the truth behind a child's disappearance, and of one woman's unwavering faith in the redemptive power of love—all made startlingly fresh through Michelle Richmond's incandescent sensitivity and extraordinary insight. Six-year-old Emma vanished into the thick San Francisco fog. Or into the heaving Pacific. Or somewhere just beyond: to a parking lot, a stranger's van, or a road with traffic flashing by. Devastated by guilt, haunted by her fears about becoming a stepmother, Abby refuses to believe that Emma is dead. And so she searches for clues

about what happened that morning—and cannot stop the flood of memories reaching from her own childhood to illuminate that irreversible moment on the beach. Now, as the days drag into weeks, as the police lose interest and fliers fade on telephone poles, Emma's father finds solace in religion and scientific probability—but Abby can only wander the beaches and city streets, attempting to recover the past and the little girl she lost. With her life at a crossroads, she will leave San Francisco for a country thousands of miles away. And there, by the side of another sea, on a journey that has led her to another man and into a strange subculture of wanderers and surfers, Abby will make the most astounding discovery of all—as the truth of Emma's disappearance unravels with stunning force. A profoundly original novel of family, loss, and hope—of the choices we make and the choices made for us—*The Year of Fog* beguiles with the mysteries of time and memory even as it lays bare the deep and wondrous workings of the human heart. The result is a mesmerizing tour de force that will touch anyone who knows what it means to love a child. **BONUS:** This edition includes an excerpt from Michelle Richmond's *Golden State*.

Wasn't That a Time Jesse Jarnow 2018-11-06 The dramatic untold story of the Weavers, the hit-making folk-pop quartet destroyed with the aid of the United States government—and who changed the world, anyway. Following a series of top 10 hits that became instant American standards, the Weavers dissolved at the height of their fame. *Wasn't That a Time: The Weavers, the Blacklist, and the Battle for the Soul of America* details the remarkable rise of Pete Seeger's unlikely band of folk heroes, from basement hootenannies to the top of the charts, before a coordinated harassment campaign at the hands of Congress's House Un-American Activities Committee and the emergent right-wing media saw them unable to find work and dropped by their label while their songs still hovered on Billboard's lists. Turning the black-and-white 1950s into vivid color, *Wasn't That a Time* uses the Weavers to illuminate a dark and complex period of American history. Emerging while a highly divided populace was bombarded and further divided by fake news—and progressive organizations and individuals found themselves repressed

under the pretenses of national security--the Weavers would rise, fall, and rise again. With origins in the radical folk collective the Almanac Singers and the ambitious People's Songs, both pioneering the use of music as a transformative political organizing tool, the singing activists in the Weavers set out to change the world with songs as their weapons. Using previously unseen journals and letters, unreleased recordings, once-secret government documents, and other archival research, veteran music journalist and WFMU DJ Jesse Jarnow uncovers the immense hopes, incredible pressures, and daily struggles of the four distinct and often unharmonious personalities at the heart of the Weavers. With a class and race-conscious global vision of music that now make them seem like time travelers from the 21st century, the Weavers would transform material from American blues singer Lead Belly ("Goodnight Irene"), the Bahamas ("Wreck of the John B"), and South Africa ("Wimoweh") into songs that remain ubiquitous from rock clubs to Broadway shows. Featuring quotes about the Weavers' influence from David Crosby, the Beach Boys' Al Jardine, and the Byrds' Roger McGuinn, *Wasn't That a Time* explores how the group's innocent-sounding harmonies might be heard as a threat worthy of decades of investigation by the FBI--and how the band's late '50s reformation engendered a new generation of musicians to take up the Weavers' non-violent weaponry: eclectic songs, joyous harmonies, and the power of music.

Against the Day Thomas Pynchon 2012-06-13 A New York Times Notable Book of the Year, a Washington Post Best Book of the Year Spanning the era between the Chicago World's Fair of 1893 and the years just after World War I, and constantly moving between locations across the globe (and to a few places not strictly speaking on the map at all), *Against the Day* unfolds with a phantasmagoria of characters that includes anarchists, balloonists, gamblers, drug enthusiasts, mathematicians, mad scientists, shamans, spies, and hired guns. As an era of uncertainty comes crashing down around their ears and an unpredictable future commences, these folks are mostly just trying to pursue their lives. Sometimes they manage to catch up; sometimes it's their lives that

pursue them.

The Book of Drugs Mike Doughty 2012 Recounts the addiction and recovery of the world-renowned solo artist and former lead singer and songwriter of Soul Coughing.

Honky Tonk Girl Loretta Lynn 2012 The country music star presents an official collection of her lyrics while offering stories about the inspirations behind her most popular songs, replicas of hand-written lyric pages, and personal photographs from her youth and career.

To Selena, with Love Chris Perez 2013-11-05 The murdered Mexican singer's husband shares his recollections and memories of their relationship, both personal and professional, and clarifies certain misconceptions about her life and death.

Sing Backwards and Weep Mark Lanegan 2020-04-28 This gritty bestselling memoir by the singer Mark Lanegan of Screaming Trees, Queens of the Stone Age, and Soulsavers documents his years as a singer and drug addict in Seattle in the '80s and '90s. When Mark Lanegan first arrived in Seattle in the mid-1980s, he was just "an arrogant, self-loathing redneck waster seeking transformation through rock 'n' roll." Little did he know that within less than a decade he would rise to fame as the frontman of the Screaming Trees and then fall from grace as a low-level crack dealer and a homeless heroin addict, all the while watching some of his closest friends rocket to the forefront of popular music. In *Sing Backwards and Weep*, Lanegan takes readers back to the sinister, needle-ridden streets of Seattle, to an alternative music scene that was simultaneously bursting with creativity and dripping with drugs. He tracks the tumultuous rise and fall of the Screaming Trees, from a brawling, acid-rock bar band to world-famous festival favorites that scored a hit number five single on Billboard's alternative charts and landed a notorious performance on *Late Night with David Letterman*, where Lanegan appeared sporting a fresh black eye from a brawl the night before. This book also dives into Lanegan's personal struggles with addiction, culminating in homelessness, petty crime, and the tragic deaths of his closest friends. From the back of the van to the front of the bar, from the hotel room to the emergency room, onstage, backstage,

and everywhere in between, *Sing Backwards and Weep* reveals the abrasive underlining beneath one of the most romanticized decades in rock history—from a survivor who lived to tell the tale. Gritty, gripping, and unflinchingly raw, *Sing Backwards and Weep* is a book about more than just an extraordinary singer who watched his dreams catch fire and incinerate the ground beneath his feet. It's about a man who learned how to drag himself from the wreckage, dust off the ashes, and keep living and creating. "Mark Lanegan—primitive, brutal, and apocalyptic. What's not to love?" —Nick Cave, author of *The Sick Bag Song* and *The Death of Bunny Munro*

I Know You Think You Know It All Chris Black 2015-04-21 The Jerk can be spotted from miles away in any city today. Devoted to the latest microtrends, he is sure that he is an influencer, never knowing he is mostly just being influenced. Often seen with others who share a similar look and viewpoint, he does not have a clue how to show individuality. Life for Chris over the past twenty years has put him in close contact with many of these guys, as they regularly congregate in the creative industries. He has worked in all of these businesses and his astute and witty observations ring true for all.

Heads Jesse Jarnow 2016-03-29 *Heads: A Biography of Psychedelic America* uncovers a hidden history of the biggest psychedelic distribution and belief system the world has ever known. Through a collection of fast-paced interlocking narratives, it animates the tale of an alternate America and its wide-eyed citizens: the LSD-slinging graffiti writers of Central Park, the Dead-loving AI scientists of Stanford, utopian Whole Earth homesteaders, black market chemists, government-wanted Anonymous hackers, rogue explorers, East Village bluegrass pickers, spiritual seekers, Internet pioneers, entrepreneurs, pranksters, pioneering DJs, and a nation of Deadheads. WFMU DJ and veteran music writer Jesse Jarnow draws on extensive new firsthand accounts from many never-before-interviewed subjects and a wealth of deep archival research to create a comic-book-colored and panoramic American landscape, taking readers for a guided tour of the hippie highway filled with lit-up explorers, peak trips, big busts, and scenic vistas, from

Vermont to the Pacific Northwest, from the old world head capitals of San Francisco and New York to the geodesic dome-dotted valleys of Colorado and New Mexico. And with the psychedelic research moving into the mainstream for the first time in decades, *Heads* also recounts the story of the quiet entheogenic revolution that for years has been brewing resiliently in the Dead's Technicolor shadow. Featuring over four dozen images, many never before seen—including pop artist Keith Haring's first publicly sold work—*Heads* weaves one of the 20th and 21st centuries' most misunderstood subcultures into the fabric of the nation's history. Written for anyone who wondered what happened to the heads after the Acid Tests, through the '70s, during the Drug War, and on to the psychedelic present, *Heads* collects the essential history of how LSD, Deadheads, tie-dye, and the occasional bad trip have become familiar features of the American experience.

The Generosity Network Jennifer McCrea 2013-09-24 The Generosity Network is the essential guide to the art of activating resources of every kind behind any worthy cause. Philanthropist Jeff Walker and fund-raising expert Jennifer McCrea offer a fresh new perspective that can make the toughest challenges of nonprofit management and development less stressful, more rewarding—and even fun. Walker and McCrea show how traditional pre-scripted, money-centered, goal-oriented fund-raising techniques lead to anxiety and failure, while open-spirited, curiosity-driven, person-to-person connections lead to discovery, growth—and often amazing results. Through engrossing personal stories, a wealth of innovative suggestions, and inspiring examples, they show nonprofit leaders how to build a community of engaged partners who share a common passion and are eager to provide the resources needed to change the world—not just money, but also time, talents, personal networks, creative thinking, public support, and all the other forms of social capital that often seem scanty yet are really abundant, waiting to be uncovered and mobilized. Highly practical, motivating, and thought provoking, *The Generosity Network* is designed to energize and empower nonprofit leaders, managers, donors, board members, and other supporters. Whether you help run a multimillion-dollar global nonprofit

or raise funds for a local scout troop, PTA, or other community organization, you'll learn new approaches that will make your work more successful and enjoyable than ever.

A Spy in the House of Loud Chris Stamey 2018-02-02 Popular music was in a creative upheaval in the late 1970s. As the singer-songwriter and producer Chris Stamey remembers, "the old guard had become bloated, cartoonish, and widely co-opted by a search for maximum corporate profits, and we wanted none of it." In *A Spy in the House of Loud*, he takes us back to the auteur explosion happening in New York clubs such as the Bowery's CBGB as Television, Talking Heads, R.E.M., and other innovative bands were rewriting the rules. Just twenty-two years old and newly arrived from North Carolina, Stamey immersed himself in the action, playing a year with Alex Chilton before forming the dB's and recording the albums *Stands for deciBels* and *Repercussion*, which still have an enthusiastic following. *A Spy in the House of Loud* vividly captures the energy that drove the music scene as arena rock gave way to punk and other new streams of electric music. Stamey tells engrossing backstories about creating in the recording studio, describing both the inspiration and the harmonic decisions behind many of his compositions, as well as providing insights into other people's music and the process of songwriting. Photos, mixer-channel and track assignment notes, and other inside-the-studio materials illustrate the stories. Revealing another side of the CBGB era, which has been stereotyped as punk rock, safety pins, and provocation, *A Spy in the House of Loud* portrays a southern artist's coming-of-age in New York's frontier abandon as he searches for new ways to break the rules and make some noise.

I Use Science Tools Kelli L. Hicks 2013-03-01 Emergent readers explore various scientific tools such as a microscope, magnifying glass, and ruler.

Hello Ocean Pam Muñoz Ryan 2001-02-01 Dive into this playful poem about the draw of the shore and the effect the ocean has on all five senses. Relive a day at the beach with this lovely book of memories. You

can almost feel the salt spray on your face and smell the musky scent of ocean in the cool morning air. Remember how the sand squishes between your toes as the tide rushes to shore and taste the tang of the ocean on your lips. Spirited language evokes a sense of closeness and nostalgia for an old friend. The inspiration of the ocean will make learning the five senses as easy as a day at the beach. Crisp, realistic illustrations fill the pages with the rush of surf and the warmth of sun-baked sand. The sights and smells and sensations of the sea become vividly clear in these beautifully rendered paintings.

Who Put This Song On Morgan Parker 2019-09-24 "Unflinchingly irreverent, laugh-out-loud funny, and heartbreakingly honest."
—Elizabeth Acevedo, National Book Award winner and New York Times bestselling author of *The Poet X* In the vein of powerful reads like *The Hate U Give* and *The Poet X*, comes poet Morgan Parker's pitch-perfect novel about a black teenage girl searching for her identity when the world around her views her depression as a lack of faith and blackness as something to be politely ignored. Trapped in sunny, stifling, small-town suburbia, seventeen-year-old Morgan knows why she's in therapy. She can't count the number of times she's been the only non-white person at the sleepover, been teased for her "weird" outfits, and been told she's not "really" black. Also, she's spent most of her summer crying in bed. So there's that, too. Lately, it feels like the whole world is listening to the same terrible track on repeat--and it's telling them how to feel, who to vote for, what to believe. Morgan wonders, when can she turn this song off and begin living for herself? Loosely based on her own teenage life and diaries, this incredible debut by award-winning poet Morgan Parker will make readers stand up and cheer for a girl brave enough to live life on her own terms--and for themselves. "Morgan Parker put THIS song on--and I hope it never turns off." —Nic Stone, New York Times bestselling author of *Dear Martin* and *Odd One Out* "A triumphant first impression in the YA space." —Entertainment Weekly "An incredibly heartfelt, deep story about a girl's coming of age." —Refinery29
