CommandBox : CLI, Package Manager, REPL and More

Luis Majano 2015-04-21

CommandBox is a Command Line Interface (CLI), package manager, embedded CFML server, application scaffolding and much more. *Ask Tom Why* Tom Skilling 2014-10-07 *Ask Tom Why* is a collection of articles originally written

by Tom Skilling for his Chicago Tribune column of the same name. Skilling, who is WGN-TV's chief meteorologist, answers questions covering all topics pertaining to weather, the sky, and our environment. Split into three sections, the book covers storms and inclement weather; the sun, moon, and sky; and temperature — all expressed with the authority and accuracy of Chicago's

Downloaded from openitv.com on September 28, 2022 by guest

favorite meteorologist. Skilling's nearly forty years in the meteorology field make him one of the most trusted voices in a city known for its erratic weather. From the mundane to the anomalous, Skilling explains all things weather in a way that is easy for readers of any age to understand. Ask Tom Why is the first collection of its kind, and a fantastic read for weather enthusiasts, and anyone who grew up reading, listening, and watching Tom Skilling.

52 Funeral Sermons Barry L. Davis 2013-05-05

For most of us, one of the most rewarding, yet difficult tasks, is preparing messages to preach and teach. We are honored by God to stand before our congregation each week, and we want to give them the very best, but with the press of the many demands of ministry, sometimes that is difficult to do. And if you're like me, you prefer writing your own sermons because you have a special connection with your congregation that is hard to reach through a message someone else has written. In other

words, no one knows your people like you do! Our new Pulpit Outline Series gives you a starting point - a sermon title, a deductive sermon outline; and a relevant illustration you can use however you like. In this edition, rather than an outline, we have given you full manuscript messages that can be edited to suit your purposes. We invite you to make these messages your own, because only you know the people God has called you to preach to. And we are so honored that you've invested in this unique third volume in the Pulpit Outline series - 52 Funeral Sermons. We have put together the most tasteful, relevant, and Biblical messages possible. May God Bless You as You Share His Word!

Gift and Award Bible-KJV Hendrickson Publishers 2006-02 The beloved and timeless King James Version is made available in an edition priced right for Sunday schools, Bible clubs, church presentations, and giveaways. Offering affordable quality, these handsome

Captive Audience Susan Crawford 2013-01-08 Ten years ago, the United States stood at the forefront of the Internet revolution. With some of the fastest speeds and lowest prices in the world for high-speed Internet access, the nation was poised to be the global leader in the new knowledge-based economy. Today that global competitive advantage has all but vanished because of a series of government decisions and resulting monopolies that have allowed dozens

of countries, including Japan and South Korea, to pass us in both speed and price of broadband. This steady slide backward not only deprives consumers of vital services needed in a competitive employment and business market—it also threatens the economic future of the nation. This important book by leading telecommunications policy expert Susan Crawford explores why Americans are now paying much more but getting much less when it comes to high-speed Internet access. Using the 2011 merger between Comcast and NBC Universal as a lens, Crawford examines how we have created the biggest monopoly since the breakup of Standard Oil a century ago. In the clearest terms, this book explores how telecommunications monopolies have affected the daily lives of consumers and America's global economic standing.

Linear and Non-Linear Video and TV Applications Daniel Minoli 2012-06-26 Provides options for implementing IPv6 and IPv6

multicast in service provider networks New technologies, viewing paradigms, and content distribution approaches are taking the TV/video services industry by storm. Linear and Nonlinear Video and TV Applications: Using IPv6 and IPv6 Multicast identifies five emerging trends in next-generation delivery of entertainment-quality video. These trends are observable and can be capitalized upon by progressive service providers, telcos, cable operators, and ISPs. This comprehensive guide explores these evolving directions in the TV/video services industry, including worldwide deployment of IPv6, IPTV services, web-produced video content, and the plethora of different screens available, from TV to iPad. It offers practical suggestions as to how these technologies can be implemented in service provider networks to support cost-effective delivery of entertainment, and how new revenue-generating services can be brought to market. Important topics include: Evolving video consumption habits and possible network

implications An overview of IPv6 address capabilities, protocols, quality of service (QoS), and more Process descriptions of IP multicast and IPv6 multicast approaches and challenges A detailed overview of IPTV systems and technologies, including architectural requirements, QoE and QoS, security and content protection, networks, and more Internet-based TV technologies: streaming, content distribution networks, P2P networks, and cloud computing Non-traditional video content sources and their implications Linear and Nonlinear Video and TV Applications: Using IPv6 and IPv6 Multicast is indispensable reading for planners, CTOs, and engineers at broadcast TV operations, Cable TV operations, satellite operations, Internet and IS providers, telcos, and wireless providers.

Digital Entertainment Superguide Audio and video content is all around us. And these days much of it comes not from TV cables, satellite dishes, and radio antennas, but from our digital

devices around the house, streaming over the Internet and local networks. And that's why we created the Digital Entertainment Superguide, a primer with everything you need to know to get started. This book walks you through how to set up your home network and choose the right hardware—set-top boxes, smart TVs, media center computers, streaming speakers, remote controls, and more—for your needs. Like to watch TV shows and movies but not sure where to find what? We've got you covered with a guide to streaming video sources for your TV or mobile devices. We don't leave music lovers out either, as we help you choose the best streaming audio service. Do you want Mog, Rdio, Rhapsody, Slacker, or Spotify? How much does each service cost? Which sounds best? We answer all those questions and more in the pages that follow. Finally, if you're wondering how to move audio and video around the house—stream music wirelessly from an iPhone to an AirPlay speaker in the living room or send

video from a computer to your beautiful wall-mounted HDTV—you've come to the right place. We'll even show you how to use your smartphone or tablet to control it all. So read on, and let the fun begin!

Computer Networking James F. Kurose 2006-07
Computer Networking provides a top-down approach to this study by beginning with applications-level protocols and then working down the protocol stack. Focuses on a specific motivating example of a network—the Internet—as well as introducing students to protocols in a more theoretical context. New short "interlude" on "putting it all together" that follows the coverage of application, transport, network, and datalink layers ties together the various components of the Internet architecture and identifying aspects of the architecture that have made the Internet so successful. A new chapter covers wireless and mobile networking, including in-depth coverage of Wi-Fi, Mobile IP and GSM. Also included is expanded coverage on

BGP, wireless security and DNS. This book is designed for readers who need to learn the fundamentals of computer networking. It also has extensive material, on the very latest technology, making it of great interest to networking professionals.

The Message of the Cross Jimmy Swaggart
For several months, prior to publication, some people were asking that we should write this book and that it be entitled, "The Message Of The Cross". • I believed then and now that their request was from the Lord. Consequently, this book is the result of that need. • This Message, "The Message Of The Cross" is the single most important Message of the Word in any language. The Salvation of the soul and how we live for God is important beyond comprehension. • I feel every Believer will be greatly strengthened in the Word if they will avail themselves of this publication.

The 10 Minute Bible Journey Dale Mason
2017-07-20 The 10 Minute Bible Journey is a

fast-paced, synopsis of God's Word from beginning to end. Fifty-two illustrated accounts connect the chronological, gospel-centered storyline of more than 200 of the most strategic and amazing events from Creation to Heaven. Filled with vibrant, full-color illustrations and exciting "faith facts" that confirm the Bible is true, this apologetics-infused book is designed to help Christians of all ages achieve a new level in their understanding of God's Word and their relationship with Jesus Christ! Discover: 52 accounts with explanatory notes Devotional passages and summaries A convenient fold-out timeline Scores of little known facts The 10 Minute Bible Journey goes beyond the popular stories of Sunday school to present important context and chronological connections found within the puzzle pieces of biblical text. Master a new understanding of how the pieces fit together in the amazing, gospel-based map to Heaven.

History Decoded Brad Meltzer 2013-10-22 It's

Downloaded from openlvtv.com on
September 28, 2022 by guest

an irresistible combination: Brad Meltzer, a born storyteller, counting down the world's most intriguing unsolved mysteries. And to make this richly illustrated book even richer, each chapter invites the reader along for an interactive experience through the addition of removable facsimile documents—the evidence! It's a treasure trove for conspiracy buffs, a Griffin and Sabine for history lovers. Adapted from Decoded, Meltzer's hit show on the HISTORY network, History Decoded explores fascinating, unexplained questions. Is Fort Knox empty? Why was Hitler so intent on capturing the Roman "Spear of Destiny"? What's the government hiding in Area 51? Where did the Confederacy's \$19 million in gold and silver go at the end of the Civil War? And did Lee Harvey Oswald really act alone? Meltzer sifts through the evidence; weighs competing theories; separates what we know to be true with what's still—and perhaps forever—unproved or unprovable; and in the end, decodes the mystery, arriving at the most

likely solution. Along the way we meet Freemasons, Rosicrucians, Nazi propagandists, and the real DB Cooper. Bound in at the beginning of each story is a custom-designed envelope—a faux 19th-century leather satchel, a U.S. government classified file—containing facsimiles of relevant evidence: John Wilkes Booth's alleged unsigned will, a map of the Vatican, Kennedy's death certificate. The whole is a riveting, interactive adventure through the compelling world of mysteries and conspiracies. **Social TV** Mike Proulx 2012-01-26 The Internet didn't kill TV! It has become its best friend. Americans are watching more television than ever before, and we're engaging online at the same time we're tuning in. Social media has created a new and powerful "backchannel", fueling the renaissance of live broadcasts. Mobile and tablet devices allow us to watch and experience television whenever and wherever we want. And "connected TVs" blend web and television content into a unified big

screen experience bringing us back into our livingrooms. Social TV examines the changing (and complex) television landscape and helps brands navigate its many emerging and exciting marketing and advertising opportunities. Social TV topics include: Leveraging the “second screen” to drive synched and deeper brand engagement Using social ratings analytics tools to find and target lean-forward audiences Aligning brand messaging to content as it travels time-shifted across devices Determining the best strategy to approach marketing via connected TVs Employing addressable TV advertising to maximize content relevancy Testing and learning from the most cutting-edge emerging TV innovations The rise of one technology doesn't always mean the end of another. Discover how this convergence has created new marketing opportunities for your brand.

Passion for Jesus Mike Bickle 2013-07-15 For all those who want to feel love, acceptance, forgiveness, peace, rest, and freedom from the past, Mike Bickle's timeless message will break open and restore any heart. Many men and women struggle with what they've done and who they are. They have never really had an opportunity to encounter Jesus' personality and to understand how He sees His children--until now. What does God feel about you? No matter what you have done, God wants you to know that His love is very deep. Seeing the passion of God's personality will help bring you to a personal wholeness and spiritual maturity. It will awaken a stronger devotion to God and a passion for Jesus.

The Guide to Writing Fantasy and Science Fiction Philip Athans 2010-07-18 Science fiction and fantasy is one of the most challenging--and rewarding!--genres in the bookstore. But with New York Times bestselling author Philip Athans and fantasy giant R. A. Salvatore at your side, you'll create worlds that draw your readers in--and keep them reading! Just as important, you'll learn how to prepare your work for today's market. Drawing on his years of experience as one of the most acclaimed professionals in publishing, Wizards of the Coast editor Athans explains how to set your novel apart--and break into this lucrative field. From devising clever plots and building complex characters to inventing original technologies and crafting alien civilizations, Athans gives you the techniques you need to write strong, saleable narratives. Plus! Athans applies all of these critical lessons together in an unprecedented deconstruction of a never-before-published tale by the one and only R. A. Salvatore! There are

books on writing science fiction and fantasy, and then there's this book--the only one you need to create strange, wonderful worlds for your own universe of readers!

The lost symbol Dan Brown 2010 Robert

Downloaded from openltv.com on
September 28, 2022 by guest

Langdon, while at the U.S. Capital Building, finds an object encoded with five symbols, which is an ancient invitation to usher its recipient into a long-lost world of esoteric wisdom. When Langdon's beloved mentor, Peter Solomon, is kidnapped, he realizes his only hope of saving Peter is to accept this mystical invitation and follow wherever it leads him. Langdon is instantly plunged into a clandestine world of Masonic secrets, hidden history, and never-before-seen locations - all of which seem to be dragging him toward a single, inconceivable truth.

Before Sunrise & Before Sunset Richard Linklater 2008-11-19 In one volume, the screenplays to two contemporary classics, directed by Richard Linklater, and starring Ethan Hawke and Julie Delpy, about the immediate and life-altering attraction between two strangers. On a train from Budapest to Vienna, Jesse, a young American student, at the end of a romance and his European trip, meets

Celine, a young French woman. They are immediately attracted. Despite knowing this may be the only time they will see each other, in the next few hours in the city of Vienna, they share everything and promise to meet again. Nearly a decade later, Jesse, now a novelist on a publicity tour, sees Celine in a bookstore in Paris. Again their time is short, and they spend it reestablishing the connection they experienced on their first meeting. Romantic, poignant, understated, and often profound, these two screenplays are sure to become classics in their own right.

Home for Good Krish Kandiah 2013-03-14 Tying in to a nationwide joint campaign by the Evangelical Alliance and Care for the Family, Krish Kandiah wants us all to take seriously Jesus's call to 'suffer the little children' by engaging with the needs of the many thousands of children up and down the country who are in care and whom the church could and should be helping. Krish and his wife Miriam have adopted and fostered children themselves and their experience - and that of the many others in this book - is very different from the popular myth which suggests social services seek to prevent

Christians from getting involved. Krish argues that whatever the state's stance may be, it is a part of our calling as God's church to get involved where it's hardest, and to help these children out of the tough realities they find themselves in. Filled with stories from people who have adopted or were adopted themselves, alongside practical advice on how it all works and the challenges that will come, this book makes a compelling case that the church can and must make a difference in these children's lives, and asks us all to consider our response.

The Ultimate Retirement Guide for 50+ Suze Orman 2020-02-25 The instant NEW YORK TIMES BESTSELLER WALL STREET JOURNAL BESTSELLER PUBLISHERS WEEKLY BESTSELLER USA TODAY BESTSELLER THE PATH TO YOUR ULTIMATE RETIREMENT STARTS RIGHT HERE! Retirement today is more complex than ever before. It is most definitely not your parents' retirement. You will have to make decisions that weren't even part of the

picture a generation ago. Without a clear-cut path to manage the money you've saved, you may feel like you're all on your own. Except you're not—because Suze Orman has your back. Suze is America's most recognized personal finance expert for a reason. She's been dispensing actionable advice for years to people seeking financial security. Now, in *The Ultimate Retirement Guide for 50+*, she gives you the no-nonsense advice and practical tools you need to plan wisely for your retirement in today's ever-changing landscape. You'll find new rules for downsizing, spending wisely, delaying Social Security benefits, and more—starting where you are right now. Suze knows money decisions are never just about money. She will guide you on how to let go of regret and fear, and with her unparalleled knowledge and unique empathy, she will reveal practical and personal steps so you can always live your

Ultimate Retirement life. "I wrote this book for you," Suze says. "The worried, the fearful, the anxious. I know you need help navigating the road ahead. I've helped steer people toward happy and secure retirements my whole life, and that's exactly what I want to do for you."

Bevelations Bevy Smith 2021-01-12 "Bevy knows what's what, and she is the kind of woman you want in your corner. If you don't believe me . . . buy the book." —Whoopi Goldberg "Funny, wise, well-experienced, empathetic, colorful—Bevy brings the spirit of humanity wherever she goes." —Pharrell Williams From the host of the fabulous and popular show Bevelations on SiriusXM's Radio Andy channel, Bevy Smith's irreverent and inspiring memoir about learning to live a big, authentic, and unapologetic life—and how you can, too Bevy Smith was living what seemed like a glamorous dream as a fashion advertising executive, blazing a lucrative career for herself in the whitewashed magazine world. She

jetsetted to Europe for fashion shows, dined and danced at every hot spot, and enjoyed a mighty roster of lovers. So it came as quite a shock to Bevy when one day, after arriving at her luxury hotel in Milan, she collapsed on the Frette bedsheets and sobbed. Years of rolling with the in-crowd had taken its toll. Her satisfaction with work and life had hit rock bottom. But Bevy could not be defeated, and within minutes (okay, days) she grabbed a notepad and started realizing a truer path—one built on self-reflection and, ultimately, clarity. She figured out how to redirect her life toward meaningful creativity and freedom. In her signature lively and infectious voice (there's no one like Bevy!), Bevelations candidly shares how she reclaimed her life's course and shows how we too can manifest our most bodacious dreams. From repossessing her bold childhood nature to becoming her own brand to envisioning her life's next great destination (which will feature natural hair, important charitable giving, and a

midcentury house overlooking the Pacific Ocean), Bevy invites readers along on the route of her personal transformation to reveal how each of us can live our best lives with honesty, joy, and, when we're in the mood, a killer pair of shoes.

Harry Potter: The Complete Collection (1-7)

J.K. Rowling 2015-12-14 When Harry Potter is left on a doorstep as a baby, he has no idea he is the Boy Who Lived, or that he is famous throughout the wizarding world. Years later, he is astonished to receive an acceptance letter to Hogwarts School of Witchcraft and Wizardry and he is soon whisked off on a magical adventure like no other. Join Harry and his fiercely loyal friends, Hermione and Ron, in this story about the power of truth, love and hope. Having become classics of our time, the Harry Potter eBooks never fail to bring comfort and escapism. With their message of hope, belonging and the enduring power of truth and love, the story of the Boy Who Lived continues to delight

generations of new readers.

The Twenty-First-Century Media Industry

John Allen Hendricks 2010-06-22 The Twenty-First-Century Media Industry: Economic and Managerial Implications in the Age of New Media examines the role that new media technologies are having on the traditional media industry from a media management perspective. Consumer behaviors and consumer expectations are being shaped by new media technologies. They now expect information on-demand and on-the-go as well as at their finger-tips via the Internet. In order to stay relevant, traditional media managers and practitioners are adapting to these consumer demands and expectations by developing new business models and new business philosophies to stay competitive. The contributors to this volume explore the business strategies being implemented by some media industries such as newspapers and the recording industry who are struggling to not only remain competitive and profitable, but also to survive.

The Twenty-First-Century Media Industry provides an intriguing examination of how traditional media industries are adapting to new media technologies and evolving in the twenty-first century.

Financial Freedom Grant Sabatier 2020-04-07
The International Bestseller "This book blew my mind. More importantly, it made financial independence seem achievable. I read Financial Freedom three times, cover-to-cover."

—Lifehacker Money is unlimited. Time is not. Become financially independent as fast as possible. In 2010, 24-year old Grant Sabatier woke up to find he had \$2.26 in his bank account. Five years later, he had a net worth of over \$1.25 million, and CNBC began calling him "the Millennial Millionaire." By age 30, he had reached financial independence. Along the way he uncovered that most of the accepted wisdom about money, work, and retirement is either incorrect, incomplete, or so old-school it's obsolete. Financial Freedom is a step-by-step

path to make more money in less time, so you have more time for the things you love. It challenges the accepted narrative of spending decades working a traditional 9 to 5 job, pinching pennies, and finally earning the right to retirement at age 65, and instead offers readers an alternative: forget everything you've ever learned about money so that you can actually live the life you want. Sabatier offers surprising, counter-intuitive advice on topics such as how to:

- * Create profitable side hustles that you can turn into passive income streams or full-time businesses
- * Save money without giving up what makes you happy
- * Negotiate more out of your employer than you thought possible
- * Travel the world for less
- * Live for free--or better yet, make money on your living situation
- * Create a simple, money-making portfolio that only needs minor adjustments
- * Think creatively--there are so many ways to make money, but we don't see them.

But most importantly, Sabatier highlights that, while one's ability to make money is

limitless, one's time is not. There's also a limit to how much you can save, but not to how much money you can make. No one should spend precious years working at a job they dislike or worrying about how to make ends meet. Perhaps the biggest surprise: You need less money to "retire" at age 30 than you do at age 65.

Financial Freedom is not merely a laundry list of advice to follow to get rich quick--it's a practical roadmap to living life on one's own terms, as soon as possible.

Android Ice Cream Sandwich Superguide (PCWorld Superguides) From the Editors of PCWorld, discover everything there is to know about the latest Android platform. Ice Cream Sandwich is the most delicious Android yet. Get the scoop on Google's latest mobile OS in PCWorld's newest Superguide, Android Ice Cream Sandwich. Android Ice Cream Sandwich is a marvel of advanced engineering: a powerful, handsome, and versatile operating system that presents a universe of opportunities--if you know

how to use it. But most of us could use some help on that score. Fortunately, assistance is now available in the form of PCWorld's just-published Superguide, an in-depth look at Android Ice Cream Sandwich for smartphone and tablet owners. The all-new guide, written by PCWorld's mobile experts, can get you started on Ice Cream Sandwich in a hurry, with a walk-through of new features, a generous collection of tips and tricks, and a guide to essential apps for both phones and tablets. Want to defend your phone against obnoxious ads? Or back up your phone? Or upload 20,000 of your own songs to the cloud and then stream them back to your Ice Cream Sandwich device for free? This authoritative volume offers step-by-step instructions for everything you need to know to accomplish these tasks and many more. Other sections evaluate the best browsers, security apps, and utilities for your phone, and even show you how to transform your smartphone into a high-end camera. For Ice Cream Sandwich tablet

users, we explain how to use Android Widgets, and we rate the best news, weather, reference, and communication apps.

You, Happier Daniel G. Amen, MD 2022-03-22
#1 New York Times bestselling author Dr. Daniel Amen reveals the seven neuroscience secrets to becoming more than 30 percent happier in just 30 days—regardless of your age, upbringing, genetics, or current situation. Happiness is a brain function. With a healthier brain always comes a happier life. After studying more than 200,000 brain scans of people from 155 countries, Dr. Amen has discovered five primary brain types and seven neuroscience secrets that influence happiness. In *You, Happier*, he explains them and offers practical, science-based strategies for optimizing your happiness. Dr. Amen will teach you how to discover your brain type based on your personality and create happiness strategies best suited to you; improve your overall brain health to consistently enhance your mood; protect your

happiness by distancing yourself from the “noise” in your head; and make seven simple decisions and ask seven daily questions to enhance your happiness. Creating consistent happiness is a daily journey. In *You, Happier*, Dr. Amen walks you through neuroscience-based habits, rituals, and choices that will boost your mood and help you live each day with clearly defined values, purpose, and goals.

Stay Sexy & Don't Get Murdered Karen Kilgariff 2019-05-28
The instant #1 New York Times and USA Today best seller by Karen Kilgariff and Georgia Hardstark, the voices behind the hit podcast *My Favorite Murder!* Sharing never-before-heard stories ranging from their struggles with depression, eating disorders, and addiction, Karen and Georgia irreverently recount their biggest mistakes and deepest fears, reflecting on the formative life events that shaped them into two of the most followed voices in the nation. In *Stay Sexy & Don't Get Murdered*, Karen and Georgia focus on the

importance of self-advocating and valuing personal safety over being 'nice' or 'helpful.' They delve into their own pasts, true crime stories, and beyond to discuss meaningful cultural and societal issues with fierce empathy and unapologetic frankness. "In many respects, *Stay Sexy & Don't Get Murdered* distills the *My Favorite Murder* podcast into its most essential elements: Georgia and Karen. They lay themselves bare on the page, in all of their neuroses, triumphs, failures, and struggles. From eating disorders to substance abuse and kleptomania to the wonders of therapy, Kilgariff and Hardstark recount their lives with honesty, humor, and compassion, offering their best unqualified life-advice along the way." —Entertainment Weekly "Like the podcast, the book offers funny, feminist advice for survival—both in the sense of not getting killed and just, like, getting a job and working through your personal shit so you can pay your bills and have friends." —Rolling Stone At the Publisher's

request, this title is being sold without Digital Rights Management Software (DRM) applied. *Firewalls Don't Stop Dragons* Carey Parker 2018-08-24 Rely on this practical, end-to-end guide on cyber safety and online security written expressly for a non-technical audience. You will have just what you need to protect yourself—step by step, without judgment, and with as little jargon as possible. Just how secure is your computer right now? You probably don't really know. Computers and the Internet have revolutionized the modern world, but if you're like most people, you have no clue how these things work and don't know the real threats. Protecting your computer is like defending a medieval castle. While moats, walls, drawbridges, and castle guards can be effective, you'd go broke trying to build something dragon-proof. This book is not about protecting yourself from a targeted attack by the NSA; it's about armoring yourself against common hackers and mass surveillance. There are dozens of no-

brainer things we all should be doing to protect our computers and safeguard our data—just like wearing a seat belt, installing smoke alarms, and putting on sunscreen. Author Carey Parker has structured this book to give you maximum benefit with minimum effort. If you just want to know what to do, every chapter has a complete checklist with step-by-step instructions and pictures. The book contains more than 150 tips to make you and your family safer. It includes:

- Added steps for Windows 10 (Spring 2018) and Mac OS X High Sierra
- Expanded coverage on mobile device safety
- Expanded coverage on safety for kids online
- More than 150 tips with complete step-by-step instructions and pictures

What You'll Learn

- Solve your password problems once and for all
- Browse the web safely and with confidence
- Block online tracking and dangerous ads
- Choose the right antivirus software for you
- Send files and messages securely
- Set up secure home networking
- Conduct secure shopping and banking online
- Lock down social media accounts

Create automated backups of all your devices
Manage your home computers
Use your smartphone and tablet safely
Safeguard your kids online
And more! Who This Book Is For
Those who use computers and mobile devices, but don't really know (or frankly care) how they work. This book is for people who just want to know what they need to do to protect themselves—step by step, without judgment, and with as little jargon as possible.

The Collagen Diet Dr. Josh Axe 2019-12-31
Dr. Josh Axe, bestselling author of Keto Diet and Eat Dirt, explains how to lose weight, prevent disease, improve your digestion, and renew your youth by taking advantage of dietary collagen. Today, interest in dietary collagen is growing at an astounding rate, and with good reason. The benefits of a collagen-rich diet are remarkable, ranging from better weight control to enhanced digestion, clearer skin, reduced inflammation, and improved immune function. Dietary collagen provides a unique blend of amino acids and

other compounds, making it critical for everyone, including infants, young children, the elderly, athletes, pregnant women, new mothers, and adult men and women. Simply put: When we don't get enough of the beneficial compounds found in collagen-rich foods, we experience more injuries, chronic aches and pain, digestive issues, and other symptoms associated with aging. And most people don't get enough. Collagen is the missing ingredient that can help all of us live longer, healthier, more vital lives. In *The Collagen Diet*, Dr. Axe describes how collagen helps maintain the structure and integrity of almost every part of the body. You'll learn how your skin, hair, nails, bones, disks, joints, ligaments, tendons, arterial walls, and gastrointestinal tract all depend on the consumption of collagen-rich foods. Featuring a twenty-eight-day meal plan, seventy mouthwatering recipes, and specific advice for supporting your body's collagen production with exercise and lifestyle interventions, *The*

Collagen Diet provides everything you need to take advantage of this overlooked cornerstone of modern health.

iConnected Ben Harvell 2013-02-26

Stop the Pain Scott Hannen 2020-01-02 Millions of people suffer from debilitating pain and inflammation each and every day. Most treatments focus on relieving or managing the pain instead of locating the cause and eliminating it. This book helps the reader understand what pain is, where it comes from, and most importantly, how to get rid of it. There are six things to fix and six protocols to help correct the imbalances that cause pain and dysfunction. Learn how to balance thyroid levels, fix the gut, revive your metabolism, restore energy levels, improve brain function, and anti-aging. Look younger, feel better, and think clearer, while eliminating the causes of pain that create dysfunction in your body. Allow this book to be your personalized road map to guide you down the road to recovery. The most exciting

part is realizing that you may be only a few simple choices away from eliminating chronic debilitating pain and suffering from your life.

My Digital Entertainment for Seniors (Covers movies, TV, music, books and more on your smartphone, tablet, or computer)
